For all late arrivals of which the campsite has not been informed, the mobile home will be considered available for rent 24 hours after the expected arrival date. After this time limit the booking will be cancelled and all deposits will be retained.

All Mobile Homes are fitted with cooking utensils, cutlery, crockery and bedding (with the exception of sheets).

The equipment is subject to an inventory check on arrival and departure. All tenants are expected to check the inventory and inform reception of any incidents immediately.
